

LEADERSHIP SURVEY FOR 2010-2011 CLUB YEAR

It is time to start thinking about the next club year already. The Nominating Committee needs your help! Please indicate any position in which you are (or think you may be) interested. Also, please list the names of any other member who you think might be a good 'fit' in a particular leadership position. We are not asking for a commitment at this time, only for suggestions for the nominating committee to consider. Please refer to the 'What is?' section of the website or your club yearbook for more details on each position. Note: If a member currently holds a position, they have first 'dibs' on that position.

Thanks!
